

Fake Retirements Give 405 Florida Bureaucrats and Politicians \$56.6 Million in Pension Cash Bonuses in August 2023

Miami Dade Sargent Armando Planas is the August 2023 Triple Dipper King taking a salary of \$129,526 <https://openpayrolls.com/employee/armando-j-planas-306> and a fake retirement pension cash bonus of \$658,235 at the same time to do the same job and not paying 3% of his salary \$3,885 into the Florida Retirement System like other public employees.. <https://tripleddippers.org/fl-cops-tripledippers-july-2022/> The average Miami citizen makes \$44,000 a year¹ must work 15 years to make Sgt Armando Planas outrageous \$658,235 fake retirement pension bonus. <https://www.zippia.com/miami-fl-jobs/salary/> Florida's minimum wage was just raised to \$12 an hour earning \$24,000 a year and must work 27.4 years to earn Sgt Armando Planas obscene \$658,235 fake retirement pension bonus.

“Triple Dippers are Florida Public Employees who take a salary and a pension with interest at the same time to do the same job!” said Dave Jaye, Researcher, www.tripleddippers.org “Triple Dippers *are the only* Florida Public employees who don't pay 3% of their salary into the Florida retirement system-cheating taxpayers out of \$62.8 Million! No private company allows such abuses.” The August 2023 Fake Retirement Pensions cash bonus list is attached. See the Statewide list of Florida's Triple Dippers at <https://tripleddippers.org/fl-statewide-2023-june-28537-tripledippers/>

Giving “Public Servants” a paycheck and a pension at the same time to do the same job has led to \$36 Billion in unfunded Florida Retirement obligations, a \$1,675 liability for every man, woman and child in Florida! Instead of reducing this abuse of taxpayers, the Florida Legislature voted to extend the time Politicians and bureaucrats can collect retirement benefits and a salary at the same time by 60% from 5 to 8 years and 10 years for teachers! <https://www.flsenate.gov/Committees/BillSummaries/2023/html/3071#:~:text=Extend%20the%20maximum%20time%20a,or%20after%20July%201%2C%202023.>

This giveaway of taxpayer money will cost an extra \$3.1 Billion in the first fiscal year 2023-2024. The Legislature increased the taxpayer-paid interest rate from 1.3% to 4% for fake retirement pensions and allows politicians and bureaucrats to at a much younger age to start collecting fake retirement pensions and

salaries at the same time. The Monthly taxpayer-paid health benefit increases to \$225 up from \$150. <https://thecapitolist.com/frs-double-dip-retirement-expansion-will-make-it-harder-for-private-sector-to-compete-with-state/>

Add the Cherry on the top – these Triple Dippers are cashing out their unused days off at their final highest salary, not the salary when the days were earned taking more money from taxpayers and artificially increasing the final year’s pay on which their pensions are calculated. Collecting a paycheck and a pension at the same time, Triple Dippers can afford to delay Social Security which then increases 8% per year to age 70. That’s about a 40% increase in Social Security payments! Triple Dippers are formally called the **Deferred Retirement Option Program (DROP)**². Greedy School Triple Dippers enrich themselves at the taxpayer’s expense while cheating substitute and part-time teachers out of the employer Social Security match which every other Public and Private employer pays. 235 Triple Dippers are collecting over \$100,000 in August 2023 Fake Retirement Pension cash bonuses from taxpayers.

“Instead of giving overpaid bureaucrats and politicians more money, use our tax money to help 10,000 people left homeless due to Hurricane Ian³ and Hurricane Nicole’s destruction”, suggested Dave Jaye.

“Although they never really retired, approximately **28,537 Florida** Public Employees and Politicians just file paperwork pretending to retire but keep on working and pocket approximately \$1 Billion in salaries and \$4.63 Billion in pension payments at the same time to do the same job and are the only Florida Public employees who don’t pay 3% of their salary into the Pension System,” stated Dave Jaye. “No Retirement Party, No Speeches, No Gold Watch, and No break in Employment! This scheme to rip off taxpayers was approved by Florida Government Entities by a majority vote from Mosquito Districts to Cities, Counties, Schools, Universities, the State Legislature, and the Governor. These Public Employees in conjunction with their supervisors are perpetrating fraud. The Public Manager or Politician simply signs off on the Fake retirement. If the paperwork is in order that’s good enough. Even though the public employee and Politician never really left their job”.

“Hurricane Ian destroyed the financial security of thousands of Florida retirees whose life savings were invested in houses and condos lost to the storm’s winds and flooding”⁴, said Dave Jaye, Researcher, tripledippers.org “Hurricane Ian has displaced thousands of Floridians whose homes are now uninhabitable, taking not only their shelter but their financial safety nets.” Replacing the approximately **28,537** Statewide over-the-hill retired Triple Dippers with freshly educated and trained employees would save approximately 40% around \$902.8 Million” stated Dave Jaye.

“This abuse of taxpayers must stop”. “We need to create opportunities for young people to move into these jobs to buy a home and start a family replacing these overpriced-cum-golden oldie Triple Dippers who are just putting \$763,622 or more of cash bonuses into the bank. Young people have much lower health care costs, are better educated and have much more energy than these Senior Citizen Triple Dippers,” noted Dave Jaye.

Law enforcement employees typically collect huge amounts of overtime which result in even higher pension cash bonuses.

“The Florida Legislature and Governor should require Triple Dippers to contribute 3% of pay to the State Pension program just like every other ‘Public Servant’ and increase the ‘Public Servant’ contribution from 3% to 5% as proposed by then-Governor Rick Scott. Retirement cash bonuses should be eliminated”. <https://www.sun-sentinel.com/news/fl-xpm-2011-02-01-fl-scott-announces-pension-reforms-20110201-story.html>

The public employer (taxpayer-paid) match of DROP Triple Dippers’ salary to the Florida pension system has increased to 21.34% compared to 13.82% for regular-class employees. In 2012 the Employer match for DROP employees was 4.33%. <https://fastdemocracy.com/bill-search/fl/2022/bills/FLB00027524/> A major reason the Triple Dippers Program is expanding is that many Triple Dippers work for the Florida State Senate, State House, and Governor’s office and are Elected Politicians. The Employer contribution rate (taxpayer paid) for Legislators, the Governor and the Florida Cabinet is 66.73% https://www.dms.myflorida.com/workforce_operations/retirement/employers/contribution_rates .
