

Petition Requesting Lee County Board of County Commissioners Assist FDLE in investigation of Tommy Doyle, and Lee County Supervisor of Elections Office for possible corruption, and request for immediate Forensic Audit of Lee Supervisor of Elections Office, making that audit's findings public so that all taxpayers can know their County Commission is doing everything possible to prevent waste, fraud, abuse of office and corruption in Lee County Government.

Whereas, Lee County Board of County Commissioners know or should know of confessed sexual misconduct of Tommy Doyle, Lee County Supervisor of Elections, with subordinate staffers during official hours of employment with Lee County, and

Whereas, Tommy Doyle negotiated settlement with at least 1 of these victims via a 'severance agreement' to withdraw her EEOC Sexual Harassment complaint for that severance agreement to be valid, and

Whereas this 'severance agreement' is highly suspect and unlike other settlement agreements Lee Supervisor of Elections Office engaged with employees/ former employees to settle other EEOC Sexual Harassment Complaints, and

Whereas it appears the 'agreement' was constructed to hide the nature of the 'settlement' and forced withdrawal of the EEOC Harassment Complaint, and

Whereas this is highly unusual for any constitutional officer's office, and it appears there is significant other waste, fraud, abuse and corruption in this office,

Petitioner requests of Lee County Board of County Commissioners to immediately initiate a Forensic Audit (performed by Auditors who are certified and prepared to testify in Florida or Federal Courts) of Lee Supervisor of Elections Offices to determine if there have been other abuses of office, taxpayer funding, or federal funding received which have been misappropriated by the Supervisor of Elections or subordinate staffers.

I, _____, A Lee County Tax Payer request this cooperation with FDLE and initiation of this audit at the earliest and results be made public as soon as they are published for the Commission.
